

2025 Easter Scavenger Hunt

Looking for a fun family activity to do while you're hiking on Windham's trails? Why not join in a community-wide Easter Egg Hunt!

We have hidden Easter Egg signs along the trails in Lippman Park, Mountain Division Trail, East Windham Conservation Area, Windham Community Park, Black Brook Preserve and the Lowell Preserve Story Walk. Look carefully - each egg has a word written on it! If you find all 9 eggs, you can unscramble the words to discover a funny Easter joke!

Please note: Some parks may have more than one egg within the trails.

The Easter Egg Hunt will run from Saturday, April 5th through Thursday, May 1st to give everyone plenty of time to participate. When you unscramble the joke, please bring your answer sheet to the Parks & Recreation Office, located in Town Hall at 8 School Rd, to claim your prize and to be entered to win the grand prize!
